

2019 Men's Day & Men's League

This year Men's Day/Men's League will have multiple options for players. We will offer 2 season long competitions and a separate weekly contest that will run from mid-May until the end of September. The first competition is a team format and the second is an individual scoring race. A separate weekly contest each week will be open to any Male 19 years of age and older whether you are on a team, in the individual competition, or just playing a round of golf on Thursday as a member or guest.

The Team Competition

Teams must have at least 2 competitors and a maximum of 4 playing on any given Thursday
18 to 20 weeks of competition

Each Team will count their best 2 Net 9 Hole scores each week from the team.

A team must have at least 10 weeks of scores to qualify for the standings.

Each Team will count their best 10 of 18 to 20 weeks for their overall season point total. After the 10th week of scores, a team will be trying to better any of the previous 10 weeks scores to improve. The more weeks played the better the chance of improving your team score.

Top 20% of teams will receive team prizes at year end

SPARES – A team may use spares weekly (Spares must be a paid league member with a Golf Canada registered handicap)

Not all players in a group must be a Men's League member, you can always have a friend play along for fun.

Individual Competition

The individual competition will work very similar to the team competition

18 to 20 weeks of competition

Each individual will count their Net 9 Hole Score each week

An individual must have a minimum 10 weeks to qualify for the standings

Each individual will count their 10 best of a possible 18 to 20 weeks of scores to determine their final standing. The more weeks you play the better the chance of improving in the standings.

Top 20% Individuals will receive prizes at year end

IMPORTANT INFO

Sponsorship – We are encouraging teams and businesses to sponsor a Thursday Men's Day. Each week there will be a sponsor. Sponsors are being asked to either donate \$100 cash or give prizes in kind of \$200+ for each week. Sponsors will be recognized at the Golf Club on their sponsor nights, on the golf course, on scoring result sheets and in emails. Each week the sponsor \$ or prizes will be distributed to participants via draws or specialty holes or a combination of both. We need 16 sponsors to cover the season, but if we get more we can have dual sponsor days with more prizes and contests.

Golf Course Rotation – Since we will only count the first nine hole score each Thursday for each player we want to ensure we get a blend of Front and Back Nine play. Each week we will switch the nines we start on. For example, on May 16th we will start all play from Hole #1, and on May 23rd we will start all play from Hole #10 and so on and so on. This allows the first nine holes to count for competition and the back nine for players choosing to play on can be social and fun.

Team Competition & Individual Competition Entry Fee's – \$60/Member of MVGC & \$75/Non-Member of MVGC for each competition. All participants must have a registered handicap this season through Golf Canada which is a \$40 fee. MVGC pays this fee directly to Golf Canada for the administration and support of Golf Canada Members. Having a Golf Canada Handicap Factor is beneficial to all individuals for more than just League play, but other tournaments and events and will give us the ability to create more games, competitions and team formats in the future. Non-Members or Guests of MVGC will have a preferred rate on Thursday's. **\$32/9 Holes or \$55/18 Holes.** Regular rates are \$40/9 holes & \$65/18 Holes.

Tee Times – Book your own tee times. 10:00am – 7:30pm or later in the June/July months *Men's league members will have 1 week booking privileges for Thursday tee times, with exclusive times reserved for Men's League Team and Individual Competition Members only from 3:30pm to 7:30pm until the day before, in which case any remaining tee times will be released to the public and MVGC membership.

Handicap's – All players must register with Golf Canada to establish a registered Handicap (the staff in the golf shop will set it up for you and go through it, its easy!). If a player does not have a previous handicap, they will after 5 games into the season, and the scoring committee will make the necessary scoring adjustment at that time.
