

Membership Refund Policy

A refund for all or part of a membership fee can be approved by Mountain View Golf Club management. In each case, a doctor's note or legitimate document must be submitted during the refund process. All membership refunds are subject to a \$50 administrative fee.

In the event that you need to cancel your membership, your refund amount will be based on the following cancellation dates.

- Prior to April 30th – 75% Refund
- Prior to May 31st – 50% Refund
- Prior to June 30th – 25% Refund
- After July 1st – No Refunds will be granted.

In extenuating circumstances, the name on a membership can be changed or transferred to immediate family, however a doctor's note, or legitimate document must support this change and must be approved by management.
